## *Brandy Solera Reserva*

**Brandy Maestro Sierra  
Solera Reserva**

**Spirituos drink from the distillation of wine liqueur.  
40% vol.**

The Maestro Sierra Brandy is a spirituous drink made from a selection of the best alquitara holandas, obtained by the distillation of excellent wines, selected and aged in American Oak barrels by the traditional system of criaderas and soleras. The butts used, have previously contained Oloroso and as a result they create a very peculiar brandy, a work of art from our land.

Golden amber with light green tones, bright, clean, with notes of vanilla and nuts.

**To the senses: broad, silky, well balanced and with a long finish.**

**For El Maestro, it goes with... the chat after a meal.**
